Statement of Understanding

Union School considers applications for admission and other documents and information submitted in the admission process based on the assumption that these are complete and truthful.

As the parent or guardian of:

.                                                                               Child’s Name

Applying to (grade) _____________ for the 2012-2013 school year, I understand that omission of information or misstatement on this application or during the admission process may result in revocation of an offer for admission and / or enrollment or in dismissal from Union School of:

.                                                                               Applicant’s name

Union School has established a policy that gives sole discretion for determining admission to the Admissions Committee. This policy further provides that the School not shares reasons for an applicant being denied admission.

In case of admission, a student is subject to policies and conditions current at a given time at Union School. The school reserves the right to reform its policies, and new policies and conditions will override those of the past.

We understand and agree to the above policies and conditions.
