We Rocked 100 Days of School!!!

The elementary grades PK3-5 successfully celebrated the First 100 Days of School on January 30. We started out our day with a 100 meters relay race and were really proud to see the children compete. Our day ended with an assembly for the last hour and fifteen minutes with 100 words speeches from students in various grades, and teacher participation with poems and speeches. Perfect 100 days attendance were also awarded. We enjoyed wearing our 100 Days T-shirts. The 100 days pencils were well appreciated. We made sure to remember our most recent elementary graduates by offering them some pretty cool pencils as well!

This year, we were pleased to have the French Department participate with remarkable speeches from our grade 5 class under the guidance of Mme Maxi.

Our Art Department created a poster of 100 colors and Mr. Joseph prepared wonderful songs with the children.

Special thanks to all elementary teachers!

The Union School MUN delegation finally returned on 02/05 after being stranded in Boston for two additional days due to inclement weather. The Harvard conference was once again most enriching for our students. They participated in insightful discussions about the state of our world, and contributed cogent solutions to issues facing our global communities. We commend Mrs. Francis and Ms. Jean Pierre for their invaluable contribution to our Panthers' success at the conference as well as insuring their safe return home! We are already looking into next year’s conference which might take our students to a different destination.

After School Activities

NEW & NOTEWORTHY: Union School is proud to announce a partnership with the Best of the Best Martial Arts School from USA.

Best of the Best is offering classes at Karibe for adults. FOR STUDENTS, (ages 3-18) all classes will be offered at Union School starting March 3rd for a special rate of $150/month.

Register by February 15 by contacting the Activities Manager or sending an email to afterschoolprogram@unionschool.edu.ht.

INTER SCHOOL SPELLING BEE

Select Union School students in grades 5-12 will be competing in an inter school Spelling Bee on March 7th. Competing schools include: Quisqueya, Morningstar, St Louis de Gonzague, and Saint Rose de Lima. Stay tuned for more information.

REMINDER: It is not too late to sign your child up for an enriching after school activity. Gymnastics, Soccer and Music are as popular as ever. We are thrilled to now offer drum lessons and painting to our program.
Panther Athletics

Union School Athletics are really on the “Prowl”, growing leaps and bounds. From just 3 teams and 50 students involved 2 years ago to currently 10 teams and 150 students involved 2014-15 school year! We are very pleased with the remarkable growth. Sports play an important role in school climate, attitudes, character development, academic progress, and we have seen a very positive improvement in all areas here at Union.

Our Boys Soccer Team championship success as well as school spirit and pride having become the norm on campus, we learned how important and valuable senior leadership is. Senior captains Alex Fils-Aime, Francesco Saieh, and Dennis Turnier were outstanding not only on the soccer field but more importantly as leaders in the classroom and the school halls. They were rewarded along with Head Coach Mickey Hennessey to play in the 1st PAP All-Star soccer match Friday January 30th vs the Haitian National U17 Team. All 4 Union team members were outstanding in leading the All-Stars to VICTORY!

We are currently into the 2nd month of our Winter Athletic season featuring an abundance of Union student-athletes participating on our Girls Soccer teams (JV and Varsity), Boys Basketball teams (JV and Varsity), Girls JV Volleyball team, and Boys Varsity Volleyball team. Though our PAP Boys Soccer teams season championship concluded December 12, we currently offer Union HS club soccer play on Wednesdays after school for boys looking to continue developing their skills. Please check our school web sites for current basketball and girls soccer game and match schedules, along with many great action photos of our student-athletes in action.

We hope to see your attendance at future Union School Athletic events.
Pre Registration

The Pre-Registration period for the 2015/2016 began on February 2, 2015 and will remain in effect through March 9th. Students registered during this time pay U$150.00. After March 9th, the fee will be U$300.00 per student. Pre-Registration applies only to students in grades PK – 11, presently enrolled at Union School who will return for the 2015/2016 school year. By pre-registering before March 9, you save substantially and support our efforts in planning for the following year.

The second portion of the procedure requires that U$400.00 of the annual fees be paid at the time of pre-registration. The said amount will assist us with the early orders of books and other school materials to ensure that we begin our school year with the necessary resources for our students. Please understand that this amount will be deducted from the total fees due in August.

As per the above, the total amount due by March 9 is U$550.00. After March 9, the amount due is U$700.00.

In order to complete the process, kindly fill-out the attached Pre-Registration form, Tuition Fee Policy, and submit them to the Business Office along with the required fee.
